3 Product information

The company possesses certification in compliance with

Other information:

Country of final manufac	cture Germany	If country cannot be stated, please state why					
Area of use Domestic Hot Water- and Heating installations							
Is there a Safety Data Sheet for this product?							
In accordance with the re	egulations of the Swedish	Classification Not rele				evant	
Chemicals Agency, plea	se state:	Labelling					
Is the product registered	in BASTA?				Yes	□No	
Has the product been	Criteria not found	Yes	⊠ No	If "yes", please spe	ecify:		
eco-labelled?							
Is there a Type III environmental declaration for the product?						□No	
Other information:							

⊠ ISO 14000

Other

If "other", please specify:

4 Contents (To add a new green row, select and copy an entire empty row and paste it in)

Does the company have an environmental management system? **⊠** ISO 9000

At the time of delivery, the product comprises the following parts/components, with the chemical composition stated:										
Constituent materials/ components	Constituent substances	Weight % or g	EG no/ CAS no (or alloy)	Classifi- cation	Comments					
Plastic		26%								
Steel		62%								
Electric components		5%								
Zinc		6%								

Other information:										
If the chemical composition of the product after it is built in differs from that at the time of delivery, the content of the finished built in product should be given here. If the content is unchanged, no data need be given in the following table.										
Constituent materials/
