## 6 Distribution of finished product

| Does the supplier put into practice a system for returning load carriers for the product?      | Not relevant | Tes Yes    | No No |
|--|--------------|------------|-------|
| Does the supplier put into practice any systems involving multi-use packaging for the product? | Not relevant | The Yes    | 🖾 No  |
| Does the supplier take back packaging for the product?   | Not relevant | <b>Yes</b> | No No |
| Is the supplier affiliated to REPA?  | Not relevant | Xes Yes    | 🗌 No  |
| Other information:   |              |            |       |

### 7 Construction phase

| Are there any special requirements for the product during storage?                         | Not relevant | Yes     | 🛛 No  | If "yes", please specify: |
|--|--------------|---------|-------|---------------------------|
| Are there any special requirements for adjacent building products because of this product? | Not relevant | Tes Yes | No No | If "yes", please specify: |
| Other information:   |              |         |       |                           |

### 8 Usage phase

| Does the product involve any special requirements for<br>intermediate goods regarding operation and maintena |               | Yes     | 🖾 No          | If "yes", please specify: |                    |
|--|---------------|---------|---------------|---------------------------|--------------------|
| Does the product have any special energy supply requirements for operation?                                  |               | Yes     | No No         | If "yes", please specify: |                    |
| Estimated technical service life for the product is to b   | be entered ac | cording | to one of the | e following o             | options, a) or b): |
| a) Reference service life<br>estimated as being approx.  |               | -       | 25 years      | $\square > 50$ years      | Comments           |
| b) Reference service life estimated to be in the interv  |               |         |               |                           |                    |
| Other information:   |               |         |               |                           |                    |

### 9 Demolition

| Is the product ready for disassembly (taking apart)?   | Not relevant | Yes Yes | 🗌 No | If "yes", please specify: |
|--|--------------|---------|------|---------------------------|
| Does the product require any special measures<br>to protect health and environment during<br>demolition/disassembly? | Not relevant | 🗌 Yes   | 🛛 No | If "yes", please specify: |
| Other information:   |              |         |      |                           |

### 10 Waste management

| Is it possible to re-use all or parts of the product?   | Not relevant         | Yes                   | 🛛 No   | If "yes", plea                | se specify: |  |  |  |
|---|----------------------|-----------------------|--------|-------------------------------|-------------|--|--|--|
| Is it possible to recycle materials for all or parts of the product?  | Not relevant         | Yes Yes               | 🗌 No   | If "yes", plea<br>Metalcompo  |             |  |  |  |
| Is it possible to recycle energy for all or parts of the product?   | Not relevant         | Yes Yes               | 🗌 No   | If "yes", plea<br>Plasticcomp |             |  |  |  |
| Does the supplier have any restrictions and<br>recommendations for re-use, materials or<br>energy recycling or waste disposal?  | Not relevant         | Yes Yes               | 🛛 No   | If "yes", please specify:     |             |  |  |  |
